Serena's
parents
Nath and
Preethie

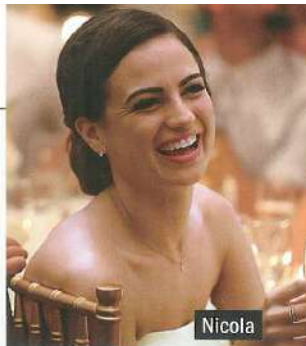

The groom, Sean a British National and the bride Serena born to Sri Lankan parents Nath and Preethie Cooray in the UK travelled with 70 of their close friends to have their dream wedding at the Mount Lavinia Hotel. The wedding ceremony was held at the Mount Lavinia Hotel's private beach amidst local and foreign guests, followed by cocktails at the Tropical Hut and a lovely sit down dinner at the Empire ballroom. Keeping to the theme for the day, all décor revolved around mirrors with mirror clasps on chair drapes, mirror magnet place names, mirror table runners, table plan on a mirror and mirror table name frames. Flowers, drapes, candelabras and gold and yellow trimmings completed the décor. This society wedding drew guests from all over the world.
